

Key questions for employees: how I work together with my colleagues

- Were any agreements made in the last talk about teamwork with my colleagues?
- How were these implemented?

1. How do I find the working atmosphere in the team?
2. How is the work distribution within the team?
3. Do I receive enough support from my colleagues? Do I give enough support?
4. Is there a system in place to cover work in the event of holidays, illness or other absences? If yes, does this mutual substitution system work?
5. How do we deal with conflicts within the team? Do I perceive conflicts in the team that affect me?

Where would I like more support from my superior?
